OFFICE NOTE.

File No. 5

SUBJECT.

Memorial of M. S. Gopalasami Rao.

From

The Private Secretary to His Highness the Maharaja of Mysore.

No. 2901 Dated 13th May 1907

Flag A. M. S. Gopalasami Rao has memorialized H. H. the Maharaja representing that the office of chief manager of the Sri Vyasaroyaswami Matt at Sosale, which is now under Govt management, has been hereditary in his family, and quotes the authority of Nirups &c granted to his ancestors by the Swamies of the Matt in that behalf He also says that he was instrumental in bringing the affairs of the Matt under Govt management, and urges that in consideration of the services rendered by himself and his

family to the Matt and in accordance with the Nirups ~~gc~~ granted to him by the Swamies, he prayed Govt to confer upon him the hereditary agentship ~~of~~ the Matt, and complains that his request was not granted.

2. He prays in his present memorial that the hereditary office of manager of the Matt may now be conferred on him.

3. The memorial has been referred to this Department for " report and submission of the file relating to the appointment of Raghavendra Rao as -- Parpattegar" Paper under disposal.

4. With reference to the above, I beg to submit that the claim of Gopalasami Rao for being appointed ' Mukhami ' and Agent of the Sri Vyasaroyaswami Matt and other matters were carefully enquired into and submitted to the late Dewan thro' the late 2nd Councillor for orders. My remarks in the matter are contained in pages 6 to 10 of the Office Note* marked with Slip B. In that Note the documents relied upon by the Memorialist were reviewed, and reference was

made to a communication from the late Swami of the Matt to the effect that the petitioner had no hereditary right to the Agentship or Parpattegarship in the Matt, and that the Swami did not wish that the petitioner should be employed in connection with the Matt. It was thereupon ordered by the late Dewan and the 2nd Councillor that, if the petitioner gave up his pretensions to a hereditary appointment in the Matt and returned all the documents belonging to the Matt which were in his possession, he might be employed on pay Rs. 10 per mensem (~~which~~ which was the --- amount promised to one of his ancestors by a former Swami) to help Govt with his knowledge and experience in their attempts to set right the affairs of the Matt. These orders were intimated to the petitioner in Endorsement No. 4542, dated 7th April 1906. Slip D He did not agree to these terms, but again urged the recognition of his hereditary claims and the grant of pay at Rs. 10 per mensem. The matter went up to-

before the present Dewan and the present 2nd Councillor, and orders were passed to the effect that the petitioner should either accept or refuse the terms previously offered by Govt.

5. It is against the foregoing orders -- that Gopalasami Rao has now memorialized H. H. the Maharaja. The former Office Note regarding the petition -er goes fully into his case and shows the memorialist's attitude towards the Matt. Slip B

6. As directed in the Private Secretary's Memorandum, I beg to submit herewith the File of --- papers relating to the appointment of M. Raghavendra Rao as Govt agent of the Vyasarayaswami Matt, which -- received the approval of H. H the Maharaja. The -- late Swami of this Matt having, in consequence of the bad state of the Matt's affairs and the annoyance of creditors, transferred temporarily to the management of the Govt, all the Matt's lands and other endowments in Mysore and in British India, M. Raghavendra Rao, who was formerly 1st Class Commissariat Transport Slip E

Agent and Superintendent, Commissariat Cattle Depôt,
was appointed by Govt as their Agent, under a Power of Attorney granted by the Dewan, on pay Rs. 50 + 20 per mensem, to look after the extensive lands and other concerns of the Matt. The Govt Agent has been touring in the Madras Presidency and enquiring into the circumstances of the ---- several endowment villages, many of which have become alienated to strangers or have been leased out for inadequate sums. The nature of M. Raghavendra Rao's appointment is of a much higher order than the one claimed by the petitioner Gopalasami Rao.

7. In my humble opinion, the Memorialist's quarrelsome temper, conduct and attitude towards the Matt are of such a nature, that they do not justify his being given any active part in the affairs of the Matt. The offer made to him by Govt in the Endorsement of the 7th April 1906 and the conditions under which the offer was made, appear to be the most suitable under the circumstances of the case. The ~~acceptance~~ recognition by ---- Government of hereditary claims which are repudiated

The decision not to recognise the petitioner's claims appears to be perfectly correct in view of the Swamy's attitude on the subject. But the attempt to buy him and his pame s over appears to me to be very questionable policy., and as he has not accepted the offer I consider that it should be considered as withdrawn. I would leave the Matt and him to settle their differences between them as best they may. Government is only concerned in the management of the property on behalf of the Matt and in the attitude of the Matt however makes it more difficult to do so it may withdraw assistance it cannot be compelled. If he has documents to which he has no right, there must be other means of getting at them than by force.

Note continued

The gracious orders of H. H. the Maharaja, dated 19th July 1907, approving of the decision of Govt declining to recognize M. S Gopalasami Rao's claims to the office of Mukhami of the Sri Vyasarayaswami Matt were communicated to the party by means of an Endorsement. The Govt Advocate was requested to suggest what course might be adopted for getting at certain documents relating to the Matt alleged to be in the possession of the said Gopalasami Rao. Matt Officer states in reply that the only means of getting at them is a civil suit instituted against the said individual within three years from the date of the termination of his agency.

It is however submitted that the claim of Gopalasami Rao to the Agentship of the Matt was never recognized by Govt

Note cont^d:

The Swamigalu was written to as directed above In reply, the Swamigalu states in the Srimukha now received from him, that there are no references in the Matt to show what documents are in the possession of Gopalasami Rao. He however says that the villages of Iyyanur, Evrampatti &c of the Madura District had been leased out to Anantachen, grandfather of Gopalaswami Rao, but that neither the documents relating to those transactions are now to be found in the Matt nor the title deeds pertaining to the grant of those villages to the Matt are to be found in the Matt. The Swamigalu says that these documents may be in the possession of Gopalasami Rao.
